## NEWS FROM ROBINSONS

Robinsons Emporium store is now open and looking absolutely stunning! We still have a few finishing touches to go - but we are happy with the result we have achieved so far. For those of you who have not made it in to see the store we have provided an image below. The overall theme is an old library in a mansion - such as Downton Abbey.

The aim was to create an atmosphere of drama & history - aspects we want our customers to associate with the Robinsons brand and with books.'

New York Times bestselling author Sherrilyn Kenyon lives a life of extraordinary danger...as does any woman with three sons, a husband, a menagerie of pets and a collection of swords that all of the above have a major fixation with.

Writing as Sherrilyn Kenyon and Kinley MacGregor, she is an international phenomenon with more than twelve million copies of her books in print, in twenty-eight countries. She's the author of several series including: The Dark-Hunters, The League, and Lords of Avalon. Her books always appear at the top of the New York Times, Publisher's Weekly and USA Today lists.

With legions of fans known as Menyons (thousands of whom proudly sport tattoos from her series and who travel from all over the world to attend her appearances), her books are always snatched up as soon as they appear on store shelves. Since 2004, she had placed more than 65 novels on the New York Times list in all formats including manga and graphic novels. Her current series are: Dark-Hunter, Chronicles of Nick and The League, and her books are available in over 100 countries where eager fans impatiently wait for the next release. Her Chronicles of Nick and Dark-Hunter series are soon to be major motion pictures while Dark-Hunter is also being developed as a television series. Her new book Born of Fury is released this month.

Serial Romances are printed in limited numbers. To avoid disappointment please complete and place your order as soon as possible.
